

## #P3043 Picnic Table

Wooden compact folding table with custom locking hinges. The table folds into its own carry case. The unique hinged base adds stability, flexes to conform to surfaces, and allows the legs to fold in unison. These tables are built dining table height (29 inches) and can accommodate four to six chairs or two benches and two chairs. Finished with a polyester finish, the folded table may be stored flat, sideways or on end.

**Primary Uses:** Dining, Games, Camping, Picnics, Travel (hotels & RVs), Crafts, Portable Desk, Exhibitions. Not intended for uses involving pounding, pushing or heavy reciprocating motion such as sawing.

**Dimensions:** 42" x 30" x 29" open  
42" x 15" x 4 3/4" closed
