

#B3813 Set of Two Benches

Two wooden folding benches with custom locking hinges. Each bench folds flat, attaching to the other to form its own carry case. Each bench is supported by four legs (two pair) and two locking braces. Each leg pair and each brace is attached to a foot pad base that can pivot to conform to surfaces. These benches are built a comfortable 18 inches high and can accommodate one or two people. Finished with a polyester finish, the folded and clasped benches may be stored flat or on their side.

Primary Uses: Extra seating, or with Picnic/Project Table
May also be use as a low table.

Dimensions: 13" x 38" x 18" open (single bench)
13" x 38" x 4 ¾" closed (two benches)
