

#CH01 Chair

A compact folding chair with custom locking hinges. The chair double folds into a compact carry unit with its own carry handle. The base adds stability and reduces rocking by preventing sinking in soft surfaces. These chairs are built dining height and are finished with a polyester finish. The folded chair may be stored flat or on end. Chairs match Spiderlegs tables.

Primary Uses:	Extra Seating, Camping, Travel (hotels & RVs), with Spiderlegs tables.
Dimensions:	18" x 18" x 30" open 18" x 21" x 4" closed
Net Weight:	11 lb
