

Innovations in Folding Furniture

Easy as 1-2-3!

Patent No. 6,779,466
European Patent No. 1 450 644
U.S. and Foreign Patents Pending

Elegant • Versatile • Space Saving

Beautifully Crafted

Designed with versatility and stability in mind, Spiderlegs® are beautifully crafted to add elegance to that romantic getaway. From casual family gatherings to afternoon tea, Spiderlegs® offer the perfect touch of class. This furniture will change your perception of what folding furniture should be.

Stabile

The unique base and patented design reduce rocking and adds stability.

Convenient

The folding top design allows the furniture to be stored in places traditional folding furniture cannot.
